KENTUCKY OUTLOOK GRAND

BEST HORSES IN COUNTRY NAMED FOR CHURCHILL DOWNS STAKES.

Thirty-Eight Nominations, Including the Cream of American Three-Year-Olds, Received For Historic Kentucky Derby-Brilliant Season Assured.

Louisville, Ky., March 8,—General Manager M. J. Winn of the New Louisville Jockey Club, who arrived home Friday night from Juarez, Mex., where the winter meeting of 109 days under his management will end on Easter Sunday, announces that for the ten rich stake events to be decided this spring at Churchill Downs, the total number of entries so far received is 622. The average is satisfactory to Colonel Winn and wholly up to his expectations. He says: "It is not numbers, but class, that we want, and our entries embrace every stable of prominence in America and consequently every thoroughtred racer of the highest excellence. The outlook for the thirteen-days' meeting at the Downs beginning on May 10 could not be brighter. The entries for the thirty-minth Kentucky Derby, an event which will this year be worth \$7,000, include the pick of the fleetest three-year-olds on this continent. Up to this time thirty-two have qualified and belated mails will bring the names of at least six more."

The Kentucky Derby eligibles embrace Hawthorn, Helios, Ten Point, Yankee Notions, Leochares, El Palomar, Lord Marshall, Judge Wright, The Widow Moon, Brookfield, Nash Cash, Chilton King, Ringling, Uncle Hart, Donerail, Frederick L., U Steppa, Strennous, McCorkle, Prince Hermis, Sam Hirsch, His Majesty, Foundation, Flying Tom, High Star, Buskin, Gowell, Floral Park and The Cinder.

Colonel Winn is enthusiastic over the outlook for the re-establishment of racing in this country. Everything, he says, indicates a glorious revival, It will come about through the pari-mutuel method. The bookmaker is virtually a memory and before long will have completely passed, Colonel Winn profilets. Racing as conducted in Kentucky, comes closer to the English idea, and the re-establishment of the sport on a similar healthy, manly basis, would, he is certain, be hailed win rejoicing by humalreds of thousands of good citizens in New York and elsewhere throughout the country. He says there is no danger of a revival of racing, where it is now under the ban,

DAINTY MINT IS STAKE WINNER.

Has Good Racing Luck in Palmetto Park Event-Stewards' Investigation at an End.

Charleston. S. C., March S.—Another candidate for championship honors in the juvenile division was established this afternoon in the running of the Georgetown Stakes, haif a mile, when G. W. J. Bisself's Dainty Mint scored over seven other juveniles, including Gordon, San Jon, Billy Stuart, Bulgar and Please Welles, Aided by a skillful ride, the winner showed a meritorious performance and won by as length from Gordon and San Jon. Gordon again suffered bad racing luck and but for being allowed to go wide in the stretch, San Jon might have beaten the winner. There was great betting activity about Billy Stuart and he would have been a factor with a better beginning. The outcome of an argument after the race as to the relative merits of Gordon and Billy Stuart resulted in a match race to be 100 mills of 100 make it a three-cornered affair and added Ruby Hyams, The match is to be 600 a side and Gordon is to concede ten pounds to each of the other two. The trainers of all three have posted forfeits of \$100.

Today's good card, coupled with fine weather, was responsible for a banner attendance at the course. Close contests prevailed throughout. Jockey Musgrave was conspicuous on account of piloting three winners, including Dainty Mint. His handling of John Furlong was masterful and was mainly responsible for that horse's success over Dr. Duenner. In the opener he had the mount on Sherwood, which beat Prince Ahmed a head. The erratic Cherryola was on her good behavior in the second race, in which she beat Rightensy after a stremuous drive. The investigation begun several days ago by the stewards in connection with some suspicious races of recent origin was practically terminered by the stewards in connection with some suspicious races of recent origin was protected with the stewards in connection with some suspicious races of recent origin was protected with the stewards in connection with some suspicious races of recent origin was protected with the stewards in connection with some suspicious races of

The winner, entered for \$800, was bid up to \$1,200 by H. B. Bonield, and was protected with the customary \$5 advance.

The investigation begun several days ago by the stewards in connection with some suspicious races of recent origin was practically terminated last night according to Steward Campbell, and resulted in a scotch verdict—nothing proven. At last night's inquiry the officials are said to have had before them jockeys C. Grand. Musgrave and Butwell, owner J. H. McCarren and 'plunger' Dandalos. The Cynosure-Camel racing of Tuesday last was the main subject of inquiry, but other races that carried with a suspicious tinge was also looked into. Dandalos was brought into the affair through having wagered on Cynosure and also because of having bad association with Musgrave and Butwell. The Greek plunger indignantly disclaimed any fraudlent manipulations and pointed to his \$25,000 loss here as sufficiently indicating that he had none the best of it. Dandalos is a novice at racing, but known in Chicago as one of the biggest bettors in the country, with a readiness to bet on anything. He was a ready target for owners, trainers and jockeys, who dispensed information to him, good bad and indifferent. His big operations here naturally brought him into the limelight and when he won a bet, his winnings were magnified and occasioned additional talk.

L. H. Adair's Busy will not be a starter again at this meeting as his suspicious underpinning went back on him and his trainer has applied a strong blister with a view to preserving him for future racing.

H. O. Comstock's crack youngster, Salvation Rey,

racing.

H. O. Comstock's crack youngster, Salvation Reg. in charge of trainer Andy Blakeley, is in a pre-carious condition. He is suffering from a high fever. The Douglas Park and Latonia stakes which closed today met with a liberal response from owners here and Frank Bruen will forward to Secretary Magina a high batch of entries. The Kentucky Handicap, with its \$10,000 in added money, received many nominations, as did the Latonia Derby, \$6,000 added.

R. W. CAMERON, ARISTIDES WELCH AND THEIR EVER FAMOUS HORSE, LEAMINGTON

Two men of high standing who participated ably in the upbuilding of the American turf in the decade following the end of the Civil War were R. W. Cameron, of New York, and Aristides Welch, of Philadelphia, the first named as a turfman, importer and breeder and the other as a breeder from one great horse that Mr. Cameron imported. Across the water Mr. Cameron was Sir Roderick W. Cameron, but in this contry he hald his title away and was a plain business man, but deeply imbuted with an English man's passion for the horse. For a number of years he maintained a breeding establishment at Clifton, on Staten Island, In racing his operations were on a modest scale, but he was fond of making matches and in 1869 won one for \$5,000 a side, in which his Leamington filly, Miss Alice, defeated Hunter & Travers' Censor—The Gloamin celt. They got even with him in 1871 then he was rash enough to match his colt, Inverary, against their famous celt. Alarm—again for \$5,000 a side. However, it was as an importer that Mr. Cameron rendered his greatest service to the American turf, He brought over many horses of the best breeding from England and among them were two that made a deep and lasting impression in our breeding. They were Leamington and Glenelg, each destined to be four times the premier sire of America. If he had done nothing else than bring this magnificent pair to our land he would still have done service of inestimable value.

At the time when Leamington was racing in England it was the fashion to bet on a prodigious scale, and a famous character of that time, "Old Tom" Parr, had in Leamington and Fisherman two horses of the highest class, with which he and a confederacy, of which he was folded in 1853 and in his racing were seventy times out of 121 starts, two Ascot Gold Cup being among his many victories. When done with racing he was taken to Australia, where his success in the stud was akin to that of Leamington in this comitry. Leamington was a beautiful brown horse by Faugh-a-Ballagh from a Pantaloon mare. He also

HAVRE DE GRACE HEARING.

Baltimore, Md., March 8,—That Harry Wolf and others interested in the new race track at Hayrè de Grace had offered Dr. Leon H. Tubbs \$5,000 at secure a license and racing dates for their organization was the charge of Michael H. Fahey, a member of the Harford County Racing Commission, before Judge Harlan in the Circuit Court at Belair, yesterday.

day.

The charge came during the hearing of witnesses in the squabble which followed the refusal of the racing commission to grant dates to the "Mechanical" racing aggregation.

The first witness was Oscar M. Elrod, who was hired to build the new track. He told how the stockholders had spent \$2,200 and had at first been given no intimation that they would not be allowed to operate. He said that Al Herford, of Baltimore, was interested in the new track and in the track at Marthoro.

The entire day was consumed by the court vestor.

The entire day was consumed by the court yester. The entire day was consumed by the court yester-day in the taking of testimony and arguments. At the conclusion of the hearing Judge Harlan stated he would wait for the writing up of the testimony and the preparation on the part of counsel of the exceptions noted in the case, and after a review of the same would announce his decision just as promptly as possible. The court room was well filled with prominent racing people.

GOES TO THE HIGHEST COURT

APPEAL IS TAKEN BY DISTRICT ATTORNEY OF NASSAU COUNTY IN SHANE CASE.

Decision by Court of Appeals Is Sought on Important Betting Points Involved and Jockey Club

Will Await Outcome of Case.

New York, March 8.—An appeal was filed today from the recent decision by the Appellate Division of the Supreme Court holding that oral betting on horse racing is no crime. The appeal was filed by the district attorney of Nassau County in the test case of Paul Shane, a bookmaker arrested last year for making oral bets. The appeal places the case before the highest court in the state.

Upon the outcome of the appeal, according to the general understanding, hangs the future of racing in this state. Governor Hughes' anti-betting law killed the sport, but the recent decision in the Shane case revived hope among the racing interests that the tracks might again be opened if oral betting was permitted. The Jockey Club, it is understood, will await a ruling from the Court of Appeals before proceeding with further plans for the revival of the sport.

John J. Graham, counsel for Shane, hopes to have a final decision on the case in thirty days. Others, think it will be sixty days. District Attorney Wysong says he wants to ascertain if any information under the law will convict Shane of the crime with which he has been charged and to obtain a construction inder the law will convict Shane of the phrase "with or without writing" in section 986 of the penal laws.

JUAREZ COURSE ONCE AGAIN DRENCHED.

Heavy Downpour of Rain Transforms Track Conditions-Bonanza Only Winning Favorite.

tions—Bonanza Only Winning Favorite.

El Paso, Tex., March 8.—Threatening weather its before race time at Juarez this afternoon held back the big crowd that generally goes to the track on a Saturday afternoon. It began to rain hard just as the horses were going to the post for the first race, and continued to pour until the third race was run, then cleared up. The track was left in a muddy, holding condition.

Only one favorite scored and that was Bonanza in the selling handicap at one mile. He fairly revelled in the going and scored in a common cauter. Little Bit, the favorite of the opening dash, acted badly at the post and wheeled sideways as the barrier arose, thereby losing all chance. The winned turned up in Gladys Y., which fluished third to Oid Rosebud in her last start. She acts like a good filly, King Stalwart was lucky to win the fifth, as Velle Forty holted to the outside fence when she and Orimar Lad turned into the stretch together a few lengths ahead of the others, allowing King Stalwart and Loving Mose to come down on the rait. The chances of Orimar Lad were totally destroyed when he was racing prominently with Velie Forty.

COLD INTERFERES WITH TRAINING.

Horses Being Prepared at Lexington More Forward Than Ordinarily-Blue Grass Gossip.

Lexington, Ky., March S.—The weather this week has been so cold that nothing in the way of fast work for the horses in training at the Kentucky Association track was attempted. However, it is the opinion of a number of the trainers that the racers are more forward in their preparation than at this period in a dozen or fifteen years past. The general health of the horses was never better.

Superintendent James P. Ross received applications for stable room from the following during the week: Frank Weir, at Juarcz. W. J. Speirs, at Latonia; J. M. Brown, at Louisville: J. T. Gaffney, at Nashville: G. W. J. Bissell, at Charleston.

Secretary Wilson is in receipt of a letter from Judge William H. Shelley advising him that he will leave Juarcz about March 26 and will come direct to Lexington to take up his duties as racing secretary for the spring meeting, which will open Saturday. April 26, and continue for eleven days, unless the State Racing Commission, at its meeting Monday, makes some change in the schedule of dates as agreed upon by the four racing associations in his state, and Chairman Young has said that is not likely.

J. F. Newman, with Pan Zareta, Closer and Dick Dodie: Mose Goldblatt, with Mary Emily, and Green B. Morris, with Console and Kiva, will ship direct to Lexington from Juarez.

John Whitlow has been allotted the name Princeton for the two-year-old half brother to Anderson, a brown colt by Stalwart—Paradise Won, and Serene for the half sister to The Hague, a brown filly by Dick Finnell—Peace.

John Gund is the name of Jack Baker's brown colt by Peap o'Day—My Gyps (dam of Cock o' the Walk and Light O' M' Life). John Gund is the name of the late Frank B. Van Meter, is the name given John H. Morris' brown colt by Staturtium—Effect (dam of

"Uncle Si" Hughes has claimed the name Transit for the good chestnut colt by Transvaal—Resignation (dam of Carlton G.)

Moore and S. C. Lyne. Messrs. Petty and Moore are big dealers and manufacturers of tobacco and they extract much pleasure out of the one of two horses they own each year. They recently refused \$3.000 for this colt.

Walter Taylor is now under contract as stable jockey for T. P. Hayes. Kimball Patterson will have Heine Radtke under his wing this season. Jockey Cragin, who last season was with "Bub" May's stable, is now in the employ of William Wallace at the local track.

FORTY-TWO ENTRIES FOR KING'S PLATE.

Nominations for Home-Bred Stakes at Woodbine Re flect Growth of Canadian Breeding Industry.

Toronto Ont., March 8,—This year for the first time the race for the King's Plate at Woodbine is open to horses that have won races before going to the post for King George's guineas, though the extension is only to winners of two-year-old races, which will carry in the Plate a penalty of five pounds as compared with those still maidens. The change in conditions was not made until after serious consideration of its possible effects. Practically the only weighty argument against the proposal was that it would take away from the interest in the race by removing much of its uncertainty, the likely competitors haying been tried in public previously. The objection was not a grievous one, and the first experience under the new conditions show that it has had no detrimental effect this time; and this was the time when the objection would be at its strongest. Last season Mr. Harry Giddings produced in Hearts of Oak a coli that showed better class in races than perhaps any Canadian-bred of his age in the history of racing, except his half-brother, Wire In. For all that he was looked on as a phenomenon. Hearts of Oak frightened nobody out of the Plate. Racing is always uncertain, and the money is not paid till the winner has finished and passed the scales. So it happens that this year's Plate has half a dozen more entries than last year instead of fewer, and another gatifying feature is that the forty-two-entries represent twenty-eight different owners. Mr. J. E. Seagram has four nominations, as have Mr. Giddings and the Brookdale Stable of Messrs. Dyment. Mr. Robert Davies has shave and dan Armang the entries those that have won as two year-olds are Hearts of Oak, Ondramida, Maid of

JUAREZ RACING NOW WELL ESTABLISHED.

Mexican Course Likely to Grow in Popularity a

El Paso, Tex., March S.—It is practically settled that the present winter meeting of the Jockey Club Juarez will close on Sunday, March 23, or Sunday, March 24, or Sunday, March 24, or Sunday, March 24, or Sunday, S

raced in the days of long ago were Donatello, Aldebaran and Yale '91. After the two brothers dissolved their racing partnership, J. T. Ireland trained for quite a time for his brother-in-law, R. L. Thomas, and then when he severed his connection with the latter, he took charge of a public stable and continued to train with success until he decided to quit about a year ago and engage in a land promotion enterprise, making El Paso his headquarters and home. One of the last performers of note that he raced with success was the high-class mare Cherryola, which was one of the best three-year-old fillies of 1916. Bob Farley and Marsand, two recent winners at Juarez, are others that Mr. Ireland raced during the first visit he made to the Mexico course with his stable in the season of 1910-1911. The newly appointed Jockey Club Juarez steward is prominently connected in Kentucky and was born and raised in Bourbon County. He is now dity-two years of age and with his long experience and irreproachable racing record, is qualified to serve well in his new position. Mr. Ireland is a brother-in-law of T. Hart Talbot, the newly appointed member of the Kentucky State Racing Commission.

Having sold Connaught, F. J. Grefer has decided to dispose of all other members of his string execut

serve wen in ms new position. Mr. Ireland is a brother-in-law of T. Hart Talbot, the newly appointed member of the Kentucky State Racing Commission.

Having sold Connaught, F. J. Grefer has decided to dispose of all other members of his string except the crack three-year-old filly Floral Park and a two-year-old colt, both of which he will ship to Churchill Downs at the conclusion of the Juarez meeting. Mr. Grefer thinks that the Kentucky daks is as good as already won by Floral Park, which grand filly, having enjoyed a winter's rest, presents now the picture of good health and fitness for spring and summer training. Floral Park has done no racing since her last, winning race at Latonia in the atumn of her two-year-old form and even all last season she was not raced excessively. She started excessions she finished second. Mr. Grefer thinks highly of the two-year-old he is to take to Kentucky as a stable companion to his great filly. This youngster is by Leonidas, a son of Hamburg, and is out of Flying Golddust, the dam of Flying Footsteps. Mr. Grefer acquired her out of the Young. Carr & Piatt consignment to a sale in Kentucky last fall for \$375 and thinks he may have a \$5,000 two-year-old in the youngster. He is ricilly enough bred, as on his sire side he comes from the Hanover line, while his dam is a most fashionably bred daughter of the great Ben Brush.

Weyanoke, a colt bred at the Bashford Manor Farm of Kentucky State Racing Commissioner George J. Long, is one of the most improved three-year-olds racing at Juarez. This son of Sir Huon belongs to T. Carroll, one of the younger set of trainers, has a fine turn of speed and finishes his races gamely and, moreover, has shown a disposition to carry weight well. Trainer Carroll, who has saddled that son of Star Shoot when he ran a mile at Juarez in 1:37%, the track record for the distance at the Mexican course. Mr. Carroll is sweet on the son of Sir Huon and Ameeras, and will enter that may be a season.

By H. Deavenport will enter Irish Gentleman for all the im

racers. Weyanoke is surely a vasily improved colt compared to what be was as a two-year-old last season.

J. H. Deavenport will enter Irish Gentleman for all the important handicaps in Kentucky this spring and will give that son of MeGee another chance to win turf honors of high degree in the blue grass land this year. Irish Gentleman has raced well here and is apparently at home either at sprinting or over a fairly long distance of ground. He has been racing at the Juarez track this season as his dam. The Lady, raced over the Chicago courses in her best days, which made it possible for her to retire to the stud with a record of forty-seven races won. Irish Gentleman had much bad racing luck in Kentucky last fall and was nearly put out of commission when he fell after running away at Churchill Downs, when jockey B. Steele was unseated by the horse stumbling with him at the post, He has grown and spread out greatly during the past winter. He is easily in the first flight of handicap horses at Juarez this season.

The California turfman, C. W. Clark, has recently shipped to Kentucky, to be mated to fashionable sires there this season, several of his royally bred broodmares and he will probably leave them in the blue grass country for several years to come. Among the number is Mary Alleen, by Bright Phoebus, which successful young mare is the dam of El Palomar, Mr. Clark's Kentucky Derby candidate, Mary Alleen, will be mated this year to Voter.
